

We're Celebrating "Top Dentists"!

We are pleased to announce that **Dr. Jamie Park** and our entire team have been selected among the area's "**Top Dentists**" in a recent poll published by "Northern Virginia" magazine. Among **thousands** of dentists in the NoVA area, only a small number of dentists (and only eight dentists in Fairfax) were selected to receive this designation.

We are honored and delighted that our excellence and the effort of our entire team in providing premium dental care to all our patients have been recognized. We look forward to celebrating with you at your next visit!

"COST AND LOOKS AND THEY'RE WORRIED ABOUT WHETHER OR NOT INSURANCE WILL COVER THINGS. AND I THINK THE FEAR FACTOR IS BIG. I THINK PEOPLE OFTEN ARE SCARED."

potential business owners see when they seek out Fairfax as a base is Gerald Gordon, president of the Fairfax County Economic Development Authority. To keep his smile as a welcoming first impression Gordon goes to Dr. William Thomas in Springfield. "They are very personable," he says. "To be honest, good or bad teeth are not going to break me, but it's all about comfort."
